DESCRIPTION

Elsa's Kopje is named after Elsa the lioness, made famous by George and Joy Adamson's biographical film "Born Free".

Elsa's Kopje is almost invisible to the eye as you approach its home on Mughwango Hill in Meru National Park. It blends into the rocky crags of the "kopje" (small hill), built very near to the site of George Adamson's original campsite. The cottages are the ultimate rooms-with-a-view, uniquely designed and crafted, incorporating the natural features of the rocky hillside. Each cottage has spacious double or twin beds with en-suite, elegantly appointed bathrooms. There is an open bar, lounge and dining room with an exceptionally inviting infinity pool overlooking the Meru plains.

Elsa's Private House is a spacious, stylish, exclusive hideaway set slightly apart from the main lodge. It has 1 double room and 1 twin, both with en-suite bathrooms. There is a living and dining area, leading seamlessly outdoors into its own private swimming pool.

Elsa's Honeymoon Suite is a 3 level room, with a double bed and ensuite bathroom. With its breathtaking views, this latest addition is most definitely Elsa's 'pride'!
